Barrhead Golf made the impulse decision in the morning, after NASA Ladies had registered, to make Holes 7 and 17 Proximity Holes with a golf pass as the prize. We very much appreciate the course offering proximity holes; however, the NASA Executive were not able to get word to all players that this was occurring.

Congratulations

Rose Simpson on your Hole in One / Closest to the Pin on #7, Par 3

Jean Melnychuk for Longest Putt on #17.

Barrhead is a hidden jewel, course in excellent condition.

Well worth the drive to the course. Beautiful hot sunny day with lots of mosquitoes.

Good Golf and Good Fellowship
