Total Players: 86

Conditions

Threatening clouds all day but only light rain for a few minutes.

Cancellations

We had 106 ladies registered to play as of Friday July 22. By Monday morning, only 86 ladies came to play. Very disappointing!

Crossover Etiquette

It seems that some ladies have forgotten how the turn is handled in a crossover. Players just starting their game have the right of way ahead of players who have finished their first half and are making the turn.
