LOST & FOUND

Lost:

John Felix #58 lost his Calaway Big Bertha Sand Wedge at Raven Crest. If anyone found it please notify the July Tournament Coordinator.

Found:

At Raven Crest a Turbo Power left-handed 6 iron.

Ball Marks on Greens:

It was observed that many ball marks were left of the greens at Coloniale.

It is a common courtesy by all NASA members to repair green golf marks when discovered.

Obviously, many have forgotten this good deed gesture.

**Good Golf &
Good Fellowship**
